#### CONCEPT CHALLENGES

- large and introverted core
  the core has little access to natural light
  the core has little visual connectivity to
- the community

# **ALL-IN-ONE SCHOOL DESIGN**

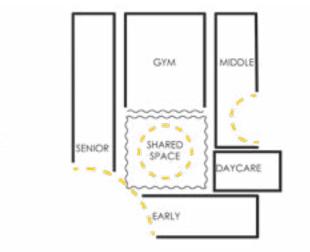

#### Uniting and Differentiating Combined Elementary and Senior High Schools

# CASE STUDY SIX: ECOLE QUATRE SAISONS

CONCEPT OPPORTUNITIES

- + opportunity for differentiation between early years and senior
- · light and views can enter shared spaces

#### CONCEPT OPPORTUNITIES

- compact plan
   hyper flexible core with structured
   exterior frame of more traditional classroom layouts
- bring light to inferior in creative ways
