Inspiring the Leaders of Tomorrow:

*A Community
Legacy on Display*

HKS

As you move through
your day, consider
these questions:

*What do you know
about the people you
design for that you
couldn't learn from a
site analysis?*

*How do you check
your own biases
and preferences
when engaging
with a community?*

*What does
the future of
community look
like in education?*

*How do you balance
the requirements of a
district with the wants
of a community?*
